Web Scraping Project

Akshay Babu, EvoAstra Ventures

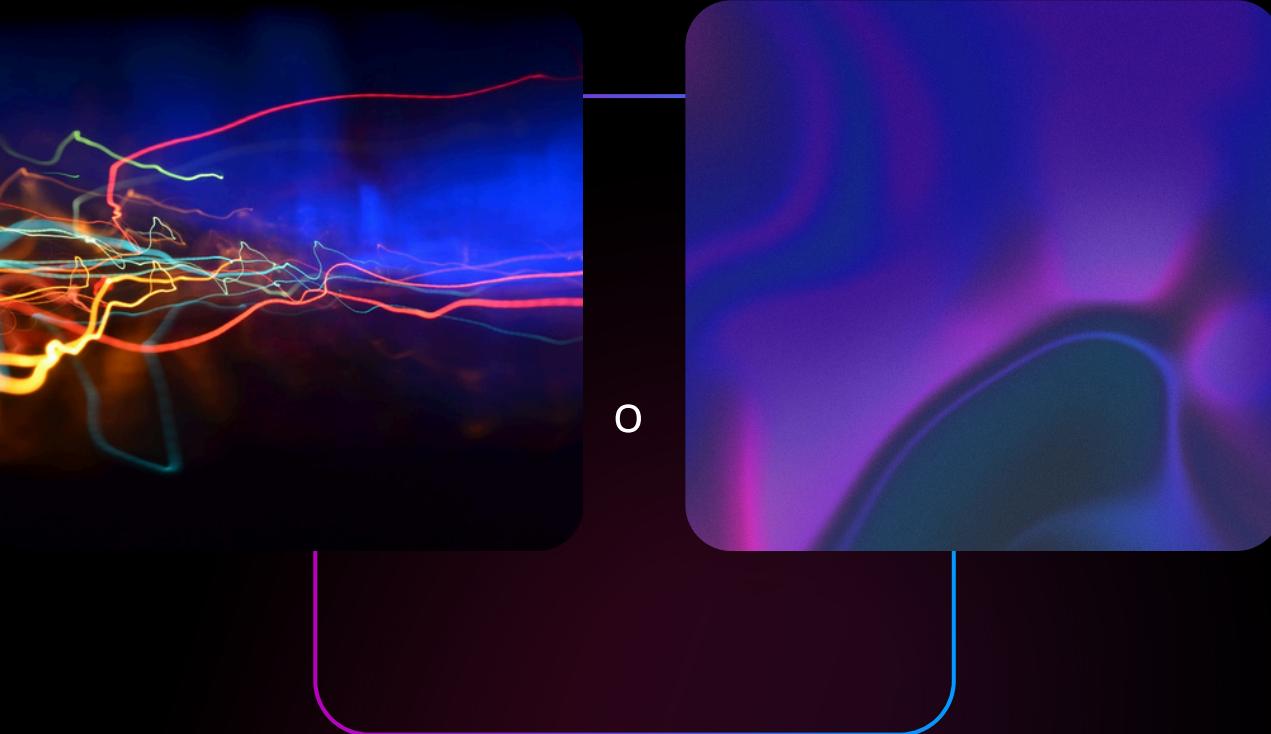

01

02

Today we Scrape Data from Remote OK website to get key insights from data we have got from the website to make visualizations and charts, and see the job popularity from region to region.

Hello, Welcome

01

02

03

Glossary

We did :

- Scraped Data from Remote OK
- Cleaned The Data
- Conducted EDA

02
